DETAILED ACTION

Response to Amendment

1. This action is in response to the communication filed on 7/3/06.
2. Claims 15 has been added in this amendment.
3. Claims 1-15 are pending in this action.
4. Claims 1-15 are allowed.

Allowable Subject Matter

Claims 1-15 are allowed.

The following is an examiner's statement of reasons for allowance:

As per claims 1-15: the claims are directed to techniques for selecting a preferred network for a roaming subscriber. The prior art of record does not teach or suggest a dynamic roaming client that moves the roaming terminal from its currently selected/registered network to a preferred network, thereby overriding the selection of the roaming terminal when the terminal's selection does not correspond to a highest priority in the list of preferred networks provided in a priority order, as recited in claim 1 and further argued by applicant.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
